

# a thousand times

Wayne Matthews

---

I thought I would've made it by now  
Thought I would've found love  
Would've found you  
We would've had a house on a hill  
With a seaside view  
Made it by now  
I Thought I would be calling you mine  
Guess it's fine

'Cause they say you are getting here  
As fast as you can  
But I don't know if I can wait anymore

'Cause Baby I need you right now  
And I fell apart a thousand times  
Waiting for you to cover  
The distance between us  
Here we go again  
Now I'm sick of all the well-meant lies  
Baby they say you're destined to make it  
But the pain in my chest  
Is taking me down

It hits me harder each day  
(hits me, hurts me)  
Time's passing me by  
And I don't know why  
But I keep running in one place  
It hits me harder each day  
(harder each day, harder each day)  
Thought I would be calling you mine  
Is this still fine?

'Cause they say you are getting here  
As fast as you can  
But I don't know if I can wait anymore

Baby I need you right now  
And I fell apart a thousand times  
Waiting for you to cover  
The distance between us  
Here we go again  
Now I'm sick of all the well-meant lies  
Baby they say you're destined to make it  
But the pain in my chest  
Is taking me down  
(Me down, me down)  
The pain in my chest is taking me down  
(Me down, me down)  
Ooooh

I'm falling, I'm falling, I'm falling apart  
I'm falling, I'm falling, I'm falling apart  
I'm falling, I'm falling, I'm falling apart  
I'm falling, I'm falling, I'm falling

Baby I need you right now  
And I fell apart a thousand times  
Waiting for you to cover  
The distance between us  
Here we go again  
Now I'm sick of all the well-meant lies  
Baby you tested all of my patience  
Guess it's time that I face it I'm done  
(face it I'm done, I'm done)

Guess it's time that I say it I'm done  
(I'm done, I'm done)  
Rest assured I will miss you  
But I'm done  
(I'm done, I'm done)  
Guess it's time that I say it I'm done
